

Stronger Together: Diversity in Action

Help students learn the value of diversity in their personal
and business lives!

Students in grades 6-8 learn the value of diversity and how it contributes to improving morale, creativity, teamwork and productivity with this interactive program. The Stronger Together: Diversity in Action program will promote the importance of inclusivity in solving real-world challenges, and will encourage students to welcome perspectives different from their own.

Volunteer-Led Programs

- JA volunteer(s) facilitate the program activities adding their industry knowledge and perspective to the lessons
- Programs are offered in-class virtually or live as permitted
- Teacher manages access and supervises students during the program
- Timing and duration of program is flexible

Teacher-Led Programs

- Teachers can facilitate the program activities and lessons directly with their students or monitor their students while they work independently
- JA will provide support and access to the program resources through the JA Campus
- Teachers can lead the program at their own pace
- Programs usually take 2-4 hours to complete

Stronger Together: Diversity in Action

Help students learn the value of diversity in their personal
and business lives!

After completing the program, students will be prepared to:

- Experience and speak to the strength of teamwork
- Explain the importance of fairness and how to resolve conflict
- Identify ways they can be supported in the workplace
- Understand the important role diversity plays in Canada and in the workplace

**This JA program can assist educators and students in
achieving curriculum objectives.**

“Learning different perspectives and the variety of people
in the workplace was a great experience.”
