World of Choices

Help youth learn about career paths directly from professionals in the field!

World of Choices brings students together with career mentors working in desired fields, industries and professions. In small sessions, students learn first-hand what it takes to be successful. Each student can participate in interactive sessions that will open up a world of choices for Canada's youth.

Volunteer-Led Programs

- ▶ JA volunteer(s) facilitate the program activities adding their industry knowledge and perspective to the lessons
- ▶ Programs are offered in-class, virtually or live as permitted
- ▶ Teacher manages access and supervises students during the program
- ▶ Timing and duration of program is flexible

Teacher-Led Programs

- ▶ Teachers can facilitate the program activities and lessons directly with their students or monitor their students while they work independently
- ▶ JA will provide support and access to the program resources
- ▶ Teachers can lead the program at their own pace
- ▶ Programs usually take 2-6 hours to complete

Key Learning Objectives

After completing the program, students will be prepared to:

- Become empowered to succeed in designing a career path
- Develop the tools to better meet challenges of today's work world
- Capitalize on career opportunities in emerging, traditional, and non-traditional fields
- Gain a better understanding of careers and the educational foundation needed
- Discover educational opportunities and training
- Develop a proactive attitude about a future career

This JA program can assist educators and students in achieving curriculum objectives.

I liked hearing about the mentors' personal journeys. It helped remind me that everyone goes through challenges and that they'll eventually get to where they need to.
