**SUCCESS  
STARTS  
HERE**

**MORE  
THAN  
MONEY**

Photo by ZackVessels

**Grades 3-5**

**Financial Literacy | Entrepreneurship | Work Readiness**

**Program Options:** Facilitated by a JA Volunteer | Teacher-led | Self-Directed Online

Students use innovative thinking to learn money-management skills and the fundamentals of running a business.

### **Learning Experience Highlights of the *More than Money* Program**

- Identify the role of money in everyday life
- Practicing how to record bank deposits and withdrawals with a money tracker
- Identify businesses they would like to start that align with their personal interests and skills
- Develop a basic business plan
- Explore traits of a trustworthy borrower
- Learn why business import and export goods

**National Champion of  
JA More than Money**

After participating in the program, one of my students started his own business. He used a 3D printer to create nose clips and is selling them by networking! I highly endorse this program and will definitely use it again.

-Grade 4 Teacher

## JA programs are available at no cost to educators, youth or parents

- Digital classroom resources available through the JA Campus to enhance the students' learning experience
- Programs may occur in-person or virtually (based on location)
- Program length is flexible and can range from 2-6 hours
- By running the program with their class, educators can facilitate activities at their own pace to accommodate/allow for integration into instructional time *and* achieve curriculum objectives and learning goals
- JA volunteers who facilitate the program share their knowledge and perspectives relevant to the activities
- Youth gain new skills and can learn independently with the self-directed online program

Contact your local JA office to register and learn about opportunities in your community.
