SCAM SMARTS

Can you outsmart these scams?

Work Readiness

Bite-Sized Learning (30 minutes or less)

Grades 8-12

Through engaging, real-world scenarios and guided discussion questions, youth can put their scam smarts to the test while empowering themselves with essential skills and knowledge to navigate the digital world safely.

Interactive Learning Modules for Youth:

- Free and open-access learning (no login required)
- Each learning module can be completed in 30 minutes or less
- Resources include a comprehensive downloadable teacher guide to help you facilitate learning and discussions with the modules
- These modules/resources are designed to meet the needs of youth in rural, remote and urban areas
