

Our Community Needs, Jobs, Tools

**Help students understand how they can contribute to
Canada's future prosperity!**

Our Community – Needs, Jobs, Tools gives elementary school students in grades 3-4 the building blocks for a successful career – right here at home! The program shows students how business shapes our lives and strengthens society.

Volunteer-Led Programs

- ▶ JA volunteer(s) facilitate the program activities adding their industry knowledge and perspective to the lessons
- ▶ Programs are offered in-class, virtually or live as permitted
- ▶ Teacher manages access and supervises students during the program
- ▶ Timing and duration of program is flexible

Teacher-Led Programs

- ▶ Teachers can facilitate the program activities and lessons directly with their students or monitor their students while they work independently
- ▶ JA will provide support and access to the program resources
- ▶ Teachers can lead the program at their own pace
- ▶ Programs usually take 2-6 hours to complete

Key Learning Objectives

After completing the program, students will be prepared to:

- Discuss the common types of jobs and workplaces
- Describe ways people earn, spend, share and invest money
- Explain the value of tools in helping people get their jobs done
- Identify tools used in different jobs and describe how they are used

This JA program can assist educators and students in achieving curriculum objectives.

There are lots of different jobs that I can be a part of in Canada.
